

Cutting Board ONDA

Tagliere ONDA

Necessary in every kitchen, **the new cutting board ONDA** is:

- **FUNCTIONAL**: its large cutting surface (cm 40x30) makes it suitable for use with all kind of foods
- **RESISTANT**: high resistance to cutting and engraving
- **ANTISLIP**: the bottom adheres perfectly to every surface without sliding
- **HEALTHY**: manufactured with materials suitable for food use, do not absorb smells and fats
- **PRACTICAL**: thanks to its flexible structure and its ergonomic handle, it is simple for serving foods into containers, pans...
- **HACCP READY**: available in 8 actual colours, can be used also in professional areas
- **SOFT**: made of soft touch preserving knives
- **EASY**: easy to wash in the dishwasher till 60°
- **MADE by DEMOLLI**: italian quality guaranteed
